Its Grim Up North 2: The Island (IGUN)

From his no-fear confessions, healing Masses, to calling his parishioners by their first names, he deserves more than a mere letter of praise and recognition. The children spend hours at the playgrounds of the surrounding housing projects, where a subtle hierarchy is at work.

The Good Girl: An addictively suspenseful and gripping thriller

At the first screen you can click on 'Fast' or 'Slow'. While this text may not reflect finely developed distinctions between nature and grace offered by later writers, and while my gloss of it introduces these distinctions somewhat artificially in Rahnerian terms, it reflects a coherence about human life and relationship with God that is often missing from theology.

Vanquish Magazine US - January 2016 - Dennii: Glamour & Entertainment Magazine

The introduction of case studies and summaries of functional consequences of disorders reinforces the effects of impairment on function. Rebels, Wives, Saints.
