The Art of Logical Thinking (or the Laws of Reasoning)

Richard Dillon exposes the plight of the Chinese "average man," trapped between the Tongs that terrorized and cast their shadow over him, and a government that disastrously misunderstood. Considering this, I wanted the confrontation to be centered in the poem.

Ontologies: A Silver Bullet for Knowledge Management and Electronic Commerce

Now we give yet another example of a binary Hamming set code. Thus, Massinger's best-known work in the genre, A New Way to Pay Old Debts juxtaposes the conventional expectations of city comedy with the actual sympathies aroused for 'country' values-while The City Madam is as much a 'problem play' as a comedy proper, its resolution no less ambiguous than that of Measure for Measure.
