### **The Chamber of Life**

Usually this sort of classification is subjective, unhelpfully judgemental, and sometimes of course it's unfair to the point of being illegal discrimination. The unit operated for one year, between August and August and was raised specifically for the operation, drawing crews from two existing RAAF transport squadrons.

For example, if customer services staff were told to answer telephones within three rings this could become an end within itself, when of far greater importance would be the quality of the information customers were given and the attitude of the staff answering the telephone. The German-Speaking World is the ideal textbook for undergraduate students who have a sound practical knowledge of German but who have little or no knowledge of linguistics or sociolinguistics.
