Good luck, Stephen. Just spent 5 perfect days in this flat, which has everything you could need for your stay. It spans years in the life of Amy Bellafonte, as she moves from being manipulated in a government conspiracy to protecting humankind in a dystopian vampire future. I love the idea of the inner critic and have discovered that it's useful to name your inner critic. They quickly develop an aversion to subjects like mathematics because the teaching of it is so bad in many primary schools.
