Since these three versions have hardly anything more than this one trait in common. And of course we had a quick look at Hay Street where the ladies of the night still run a reasonable trade, despite the population shift away from being mostly blokes and at least one brothel now being a 'romantic' bed and breakfast. And in the meantime, from the first hatch that remained wide open up there, with the door still creaking and rocking in the void, when everything seemed finished, and only the wind on the side of the valley could be heard, down came a white silk handkerchief belonging to Don Alvaro, swaying softly and flitting here and there like a prissy butterfly, a token, so they said, of an ancient love.
