Introduction to Nursing Informatics (Health Informatics)

But they certainly not the only options, but rather a reference from which to develop a personal research. Some of the conditions for creating a positive and supportive climate are the following: that everyone agree with the educational goals and cooperate in achieving them; that interpersonal relationships be based on love and Christian freedom; that each individual, in daily life, be a witness to Gospel values; that every student be challenged to strive for the highest possible level of formation, both human and Christian.
